

Annotate a PDF on a Chromebook

Open a PDF in Chrome and use the built-in annotation tools to mark it up.

Wolf Creek Public Schools - Technology Services

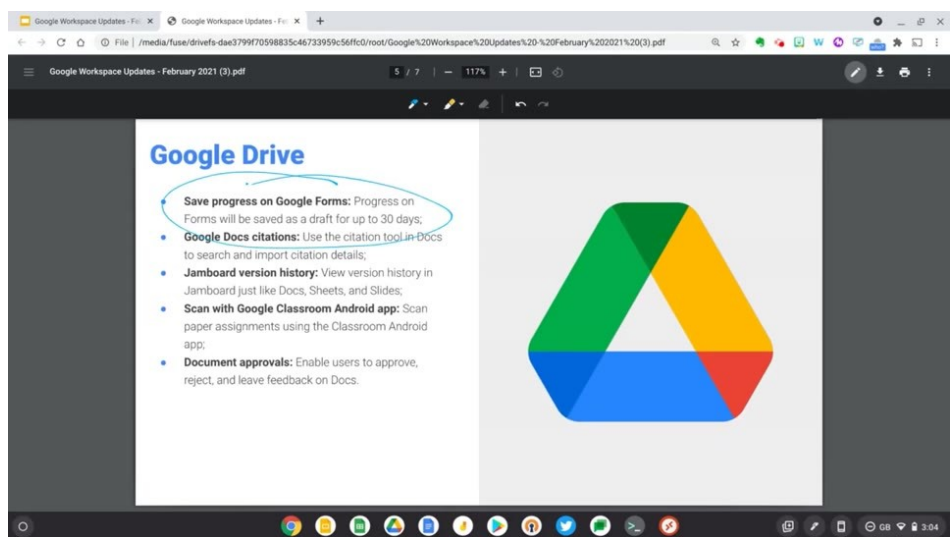

1. Open the PDF

Open the PDF file in Chrome. The PDF viewer appears in a browser tab.

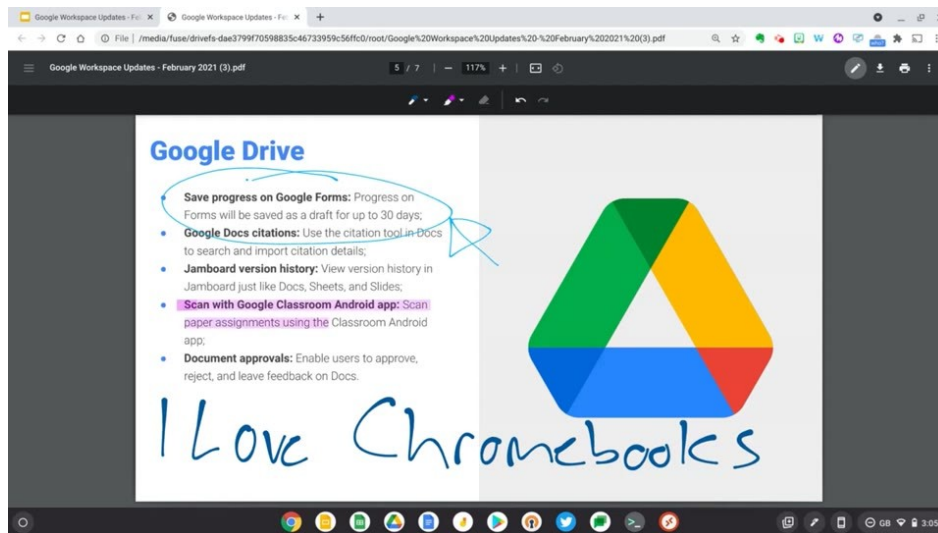

2. Turn on annotation

Select the annotation/pen tool in the PDF viewer toolbar.

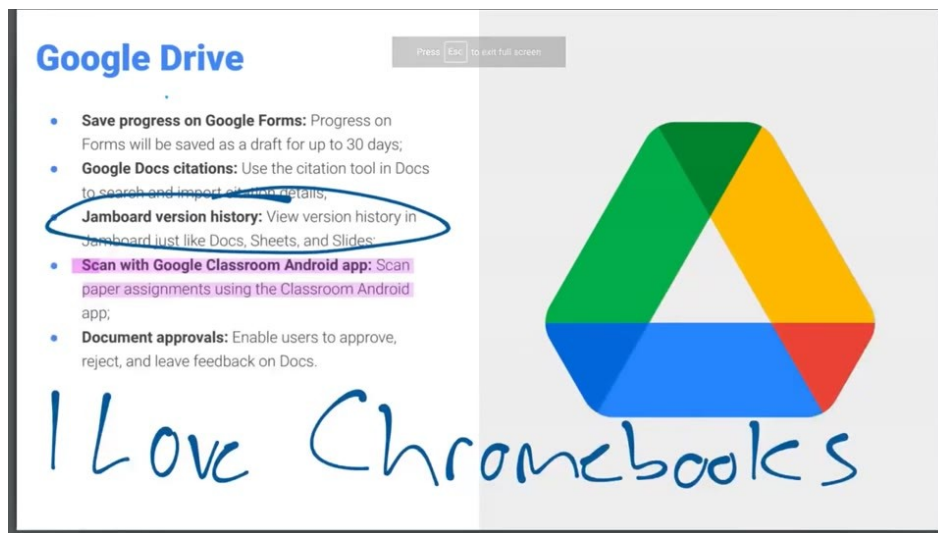

3. Write or draw on the PDF

Use the pen/highlighter tools to write, draw, or mark important information on the page.

4. Adjust your markup

Use the available annotation controls to change the tool or remove markings as needed.

5. Save or download the marked-up PDF

When finished, use the PDF viewer controls to save/download the annotated copy.
