

Hapara Workspaces Resource Cards

Step-by-step guide based on the Wolf Creek training video

Before you begin: Sign in with your Wolf Creek Google account when the service offers Google sign-in.

STEP 1 Open the workspace

Open the Hapara Workspace you want to edit.

Open the workspace.

STEP 2 Add a Resource card

Choose Add card and select Resource.

Add a Resource card.

STEP 3 Add the resource

Enter the title and add the link, file, or instructions.

Add the resource.

STEP 4 Save and review

Save the card and test that the resource opens correctly.

Save and review.

Finished

The task is complete. Review the final screen to confirm the expected result.
