

Installing Apps in Chrome

Wolf Creek security guide

Security reminder: Stop when a request feels unusual or urgent. Verify it using a trusted method and contact Technology Services if you are unsure.

STEP 1 Use an approved source

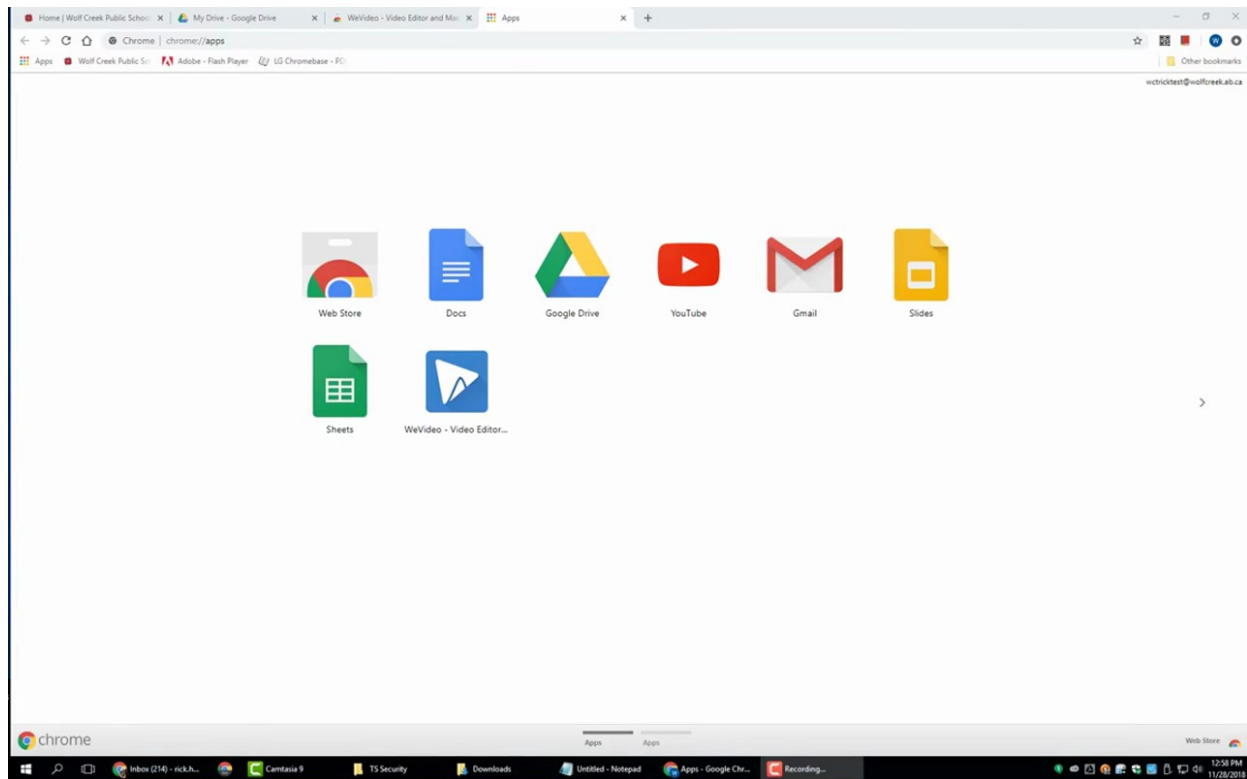

Open the Chrome Web Store or the approved application source provided by Wolf Creek.

Video reference: Use an approved source.

STEP 2 Review the application

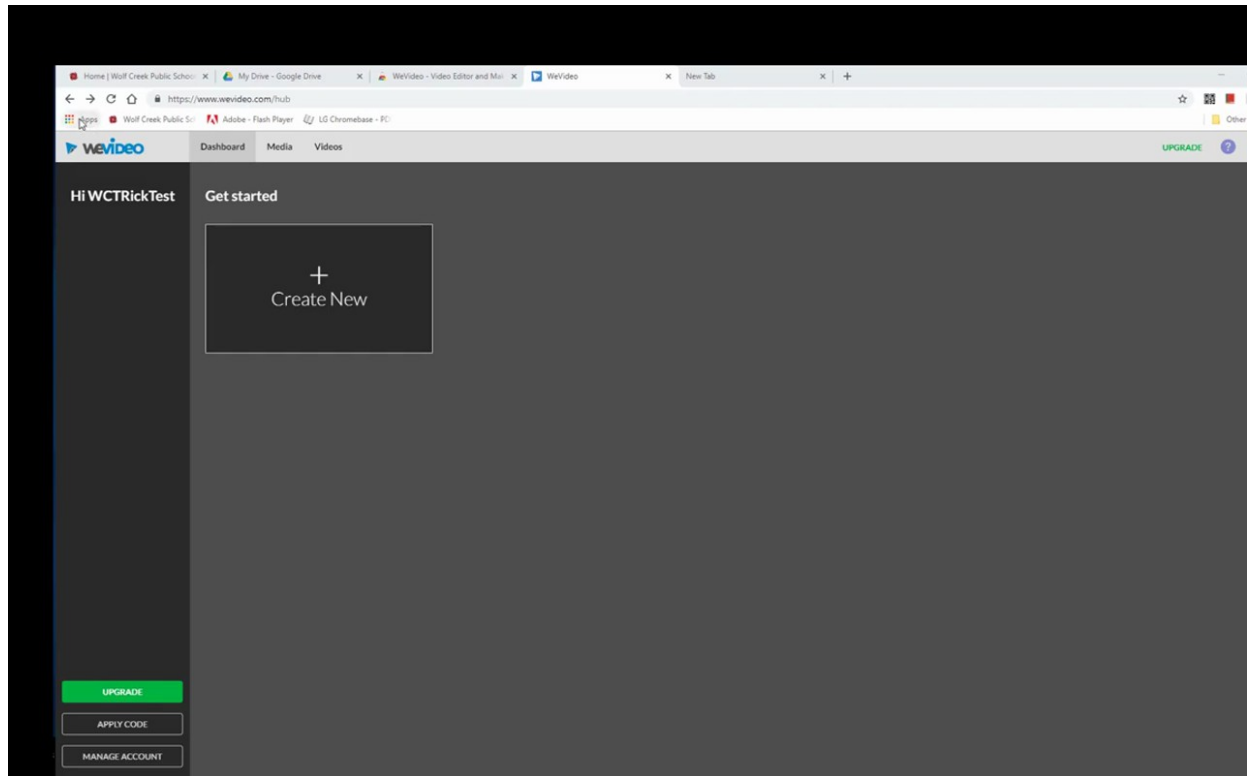

Check the publisher, requested permissions, reviews, and whether the application is appropriate for school use.

Video reference: Review the application.

STEP 3 Install the application

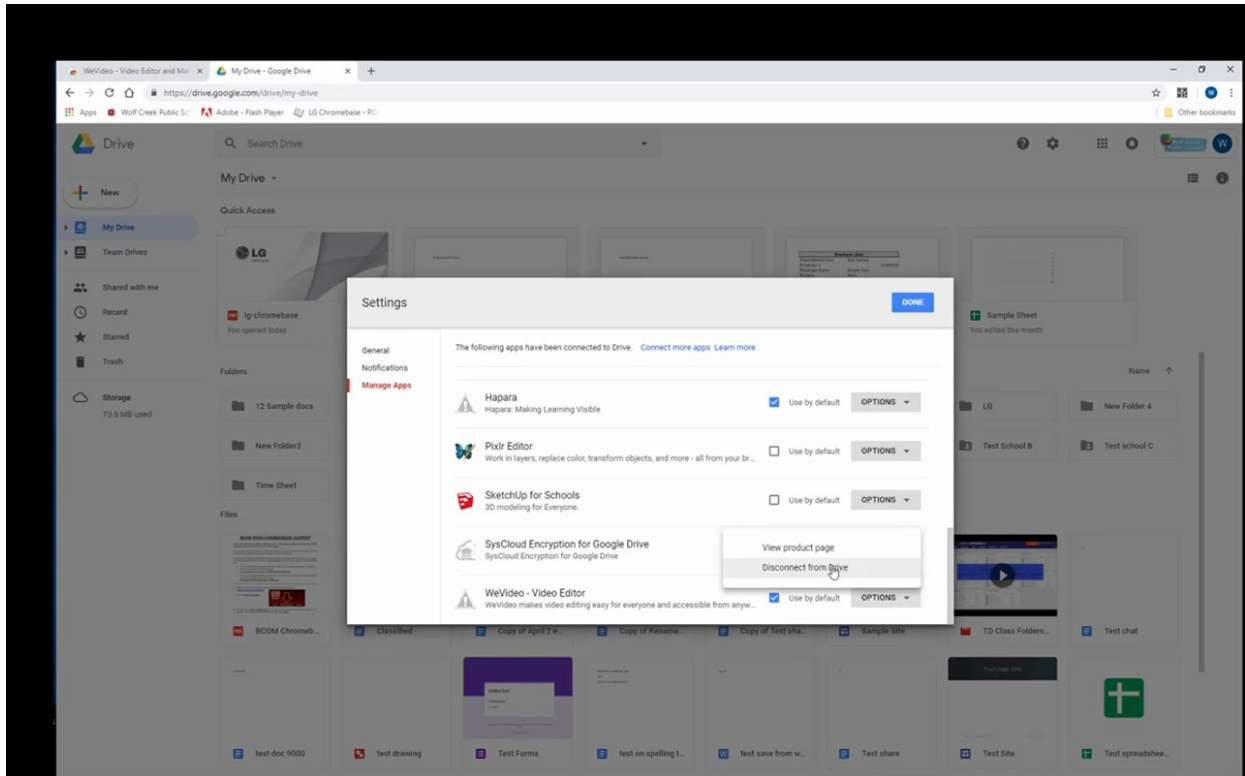

Select the install option and review the permissions before confirming.

Video reference: Install the application.

STEP 4 Manage installed applications

Open Chrome's apps or extensions page to launch, review, disable, or remove the application when it is no longer needed.

Video reference: Manage installed applications.

Need help?

If you are unsure whether a message, sign-in, extension, or request is safe, stop and submit a Technology Services work order at <https://wcps.freshdesk.com/>.
