

myBlueprint Careers and Institutions

Step-by-step guide based on the Wolf Creek training video

Before you begin: Sign in with your Wolf Creek Google account when the service offers Google sign-in.

STEP 1 Open the career area

From myBlueprint, open the Careers section.

Open the career area.

STEP 2 Explore a career

Select a career and review duties, education, and outlook.

The screenshot displays the 'myBlueprint Careers and Institutions' website. On the left is a dark blue sidebar with a navigation menu including: Home, Who Am I, High School, Post-Secondary, Work, Money, Guides, and Favourites (highlighted). The main content area is titled 'Powerline Technician' and features a large image of two technicians working on a power line. Below the image are buttons for 'Favourites' and 'Add to Portfolio'. A tabbed interface at the top of the content area shows 'Overview', 'Outlook', and 'Requirements' (which is selected). Under the 'Requirements' tab, the heading 'How do I become one?' is followed by a section titled 'Suggested Courses' with a bulleted list: 'Alberta High School Diploma with: English 30-2', 'Math 30-3', 'Physics 30 or Chemistry 30 or Science 30', and 'Related Career and Technology Studies courses'. At the bottom of the page, the text '© 2006 - 2018 Doublethink Inc.' is visible.

Explore a career.

STEP 3 View institutions

Open the related programs or institutions information.

The screenshot displays the myBlueprint Careers and Institutions interface. On the left is a dark blue sidebar with navigation links: Home, Who Am I, High School, Post-Secondary (selected), Work, Money, Guides, and Favourites. The main content area shows a search filter for 'College & University' with 82 results found. A top filter bar lists various categories like Agriculture, Architecture, Business, etc., with 'View More' links. The results are displayed in a grid of six cards, each representing an institution and its program:

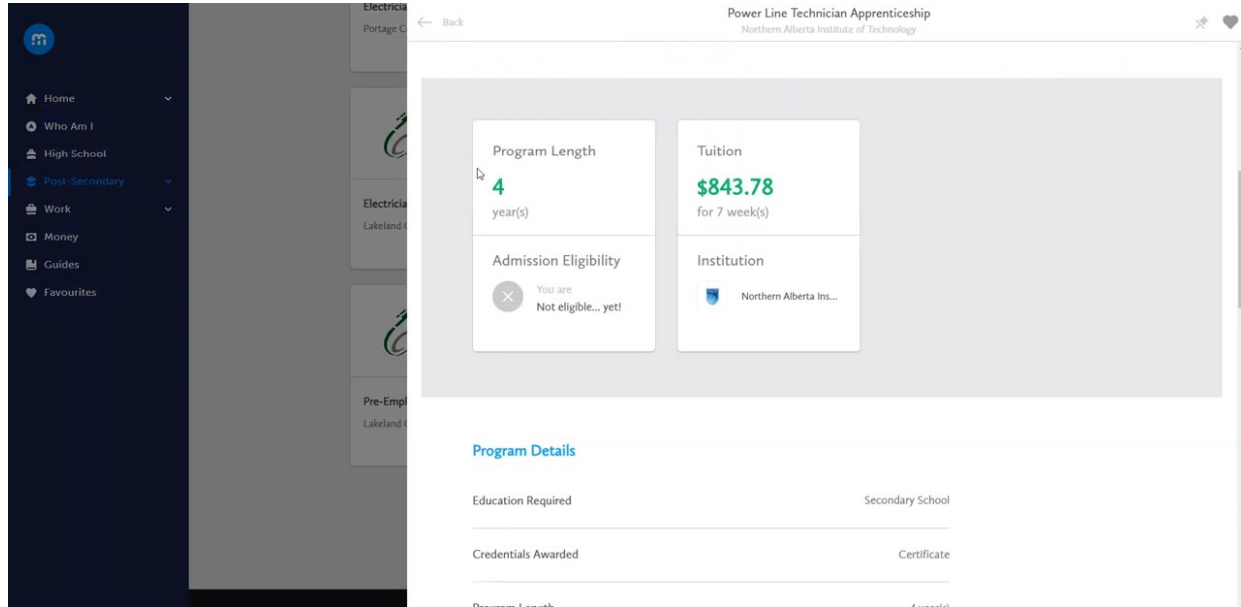

- CDI College**: Construction Electrician Foundation (CDI College Alberta)
- SAIT**: Electrician Apprenticeship (Southern Alberta Institute of Technology)
- RDC**: Electrician Apprenticeship (Red Deer College)
- GPRC**: Electrician Apprenticeship
- KEYANO COLLEGE**: Electrician Apprenticeship (THE ESSENTIAL ELEMENT)
- MEDICINE HAT COLLEGE**: Electrician Apprenticeship

On the right, there is a 'Guides' section with a card for 'College & University' that includes the text: 'Learn how to prepare yourself for college and university.' and a 'View All' link.

View institutions.

STEP 4 Save useful options

Favourite or save careers and institutions you want to revisit.

Save useful options.

Finished

The task is complete. Review the final screen to confirm the expected result.
