The second card is titled 'Knowledge' with the question 'What subjects do you love? We all have at least one class that we look forward to. Whatever subject it is, if you like it, you can probably find a career in it.' and an icon of books. The third card is titled 'Motivations' with the question 'Do you want to make a lasting impact? Is independence important to you? When you know what drives you, you can look for opportunities that fulfill your career objectives.' and an icon of a trophy and a star.
