

Remote sign out of Google

Wolf Creek security guide

Security reminder: Stop when a request feels unusual or urgent. Verify it using a trusted method and contact Technology Services if you are unsure.

STEP 1 Open your Google Account

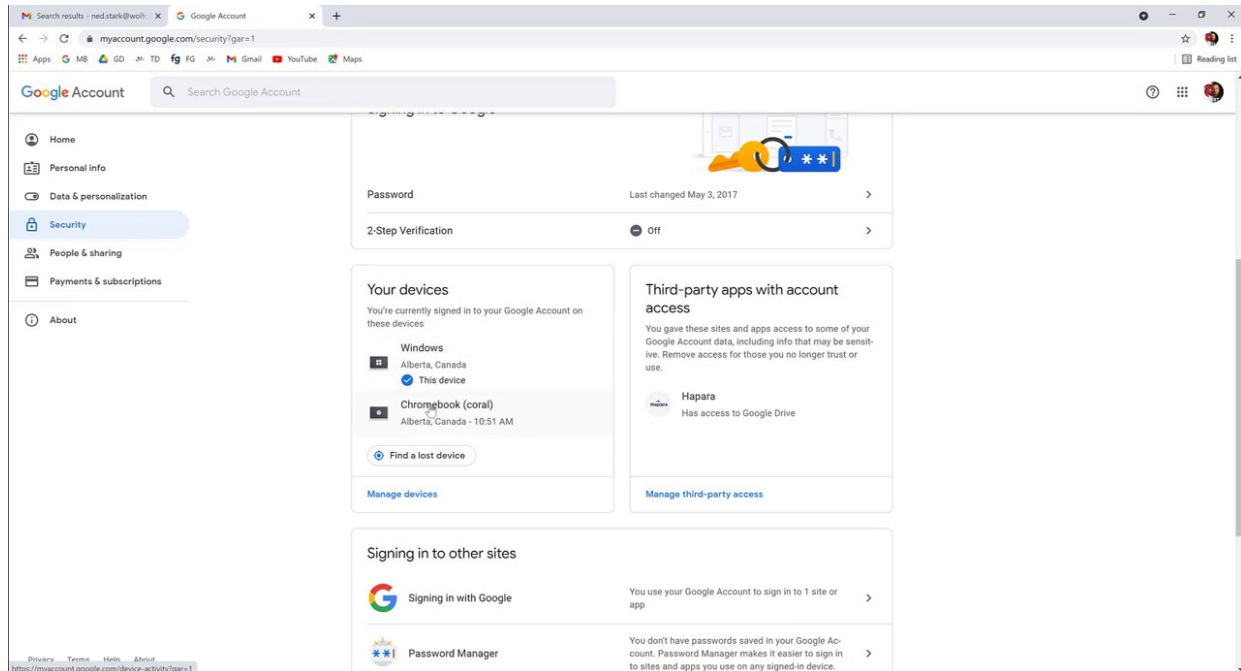

Go to your Google Account and open the Security section.

Video reference: Open your Google Account.

STEP 2 Review your devices

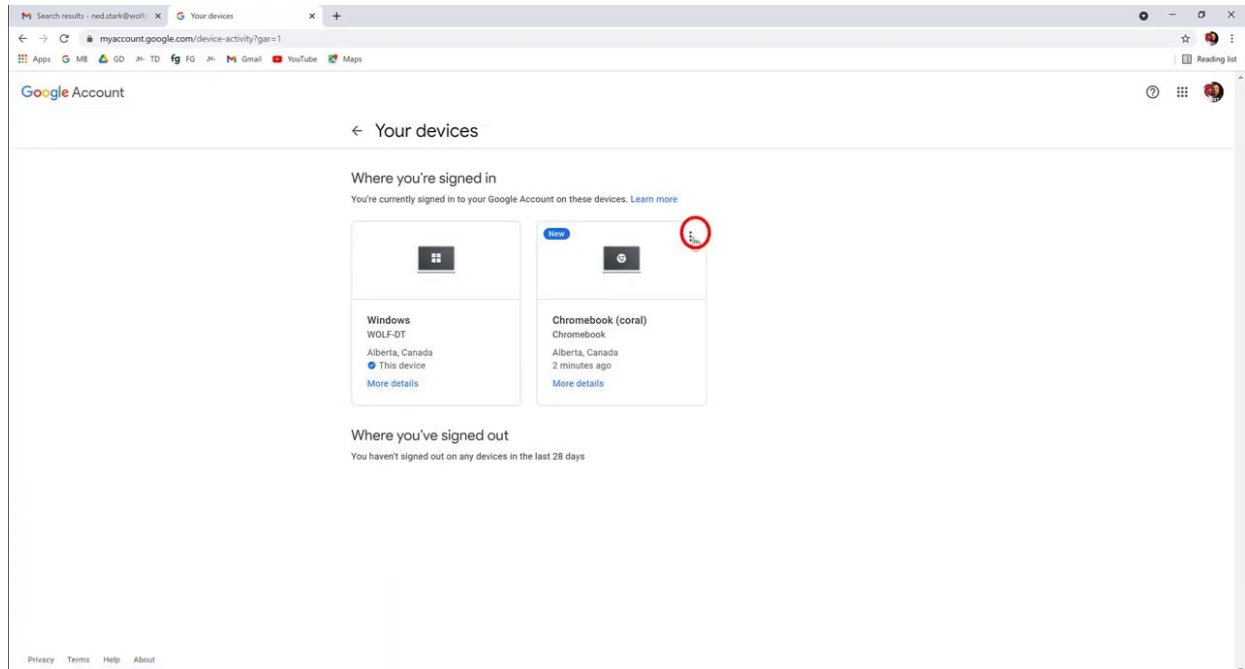

Find Your devices and select Manage all devices.

Video reference: Review your devices.

STEP 3 Select the device

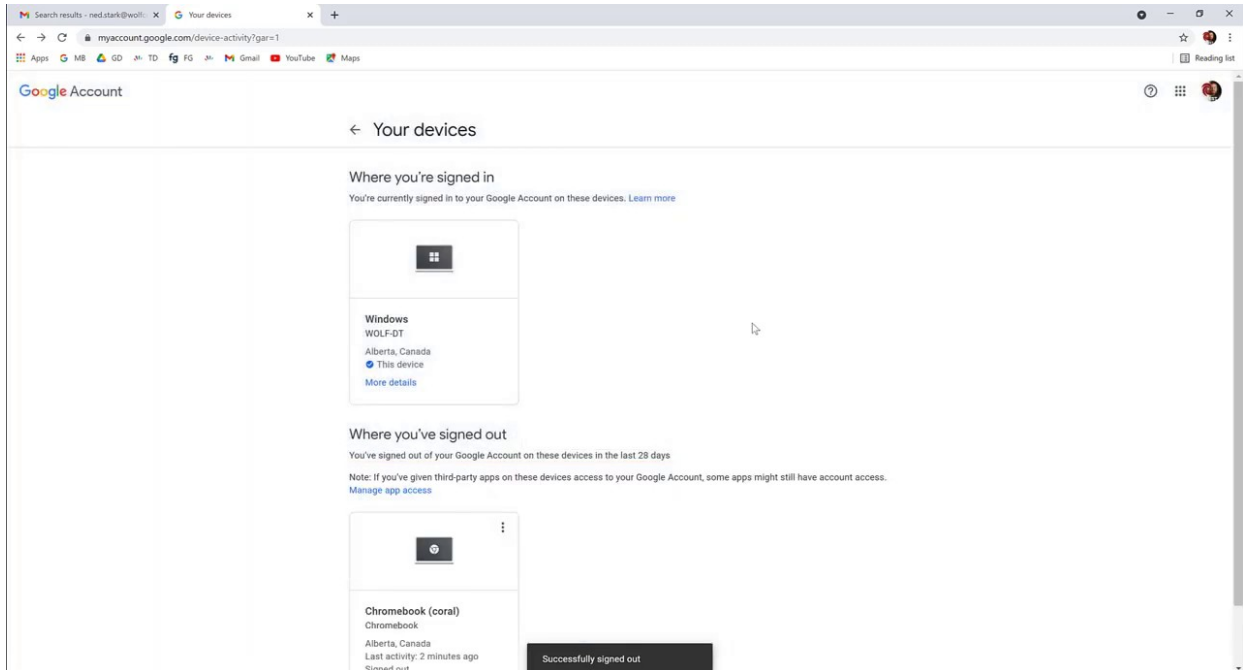

Choose the computer, phone, or session that should no longer have access.

Video reference: Select the device.

STEP 4 Sign out and verify

Select Sign out, confirm the action, and change your password if the device or activity is unfamiliar.

Video reference: Sign out and verify.

Need help?

If you are unsure whether a message, sign-in, extension, or request is safe, stop and submit a Technology Services work order at <https://wcps.freshdesk.com/>.
