

Smart Board Icons - How to Change them in the Menus

SMART Board step-by-step guide

Before you begin: These instructions use the SMART Board controls shown in Wolf Creek classrooms. Menu placement may vary slightly after a software update.

STEP 1 Open the SMART Board toolbar

Tap the small arrow tab on the right edge of the SMART Board screen to open the floating toolbar.

Open the SMART Board toolbar.

STEP 2 Open More

Tap More at the bottom of the toolbar to display the complete set of SMART Board tools.

Open More.

STEP 3 Choose the tool you need

Tap the tool you want to use from the More panel. Use this panel whenever the tool is not shown on the main toolbar.

Choose the tool you need.

Finished

The SMART Board is ready to use. If the control does not respond as shown, restart SMART services or submit a Freshdesk request.
