SMART Board step-by-step guide

Before you begin: These instructions use the SMART Board controls shown in Wolf Creek classrooms. Menu placement may vary slightly after a software update.

STEP 1 Open SMART Notebook

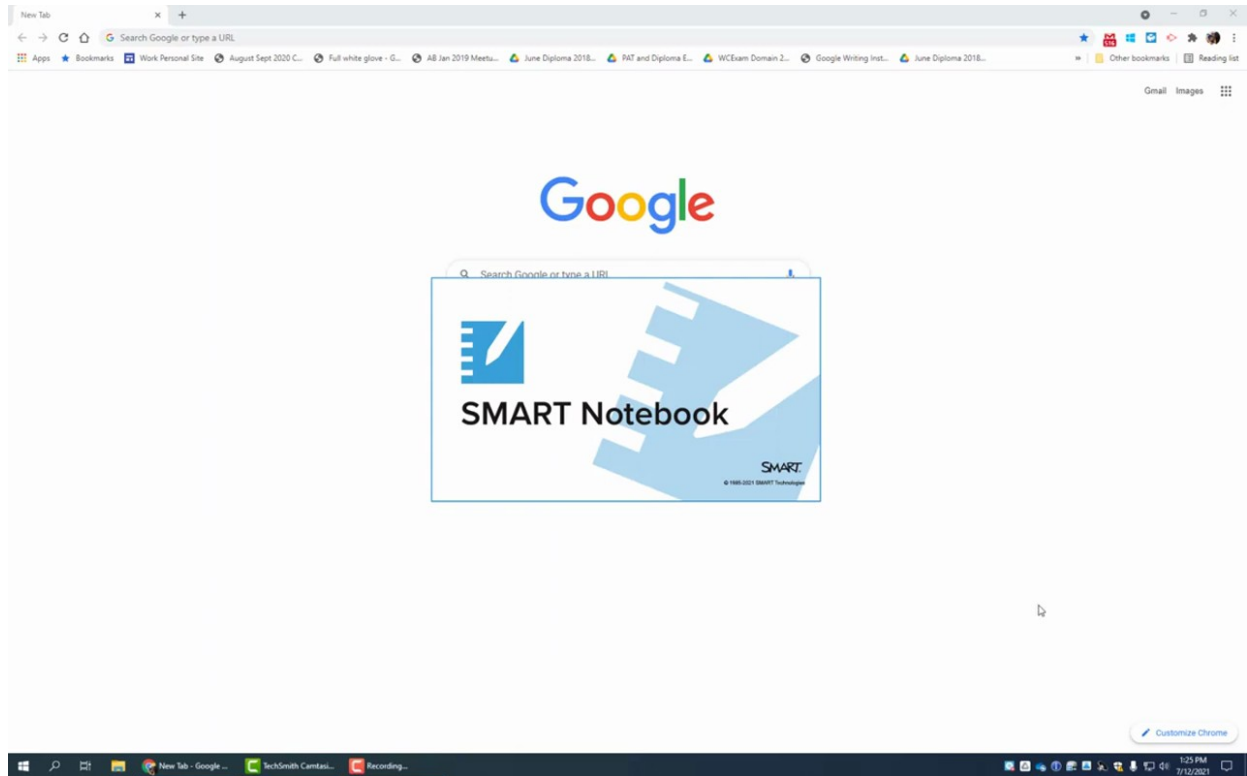

Launch SMART Notebook from the taskbar, Start menu, or desktop shortcut.

Open SMART Notebook.

STEP 2 Start the sign-in process

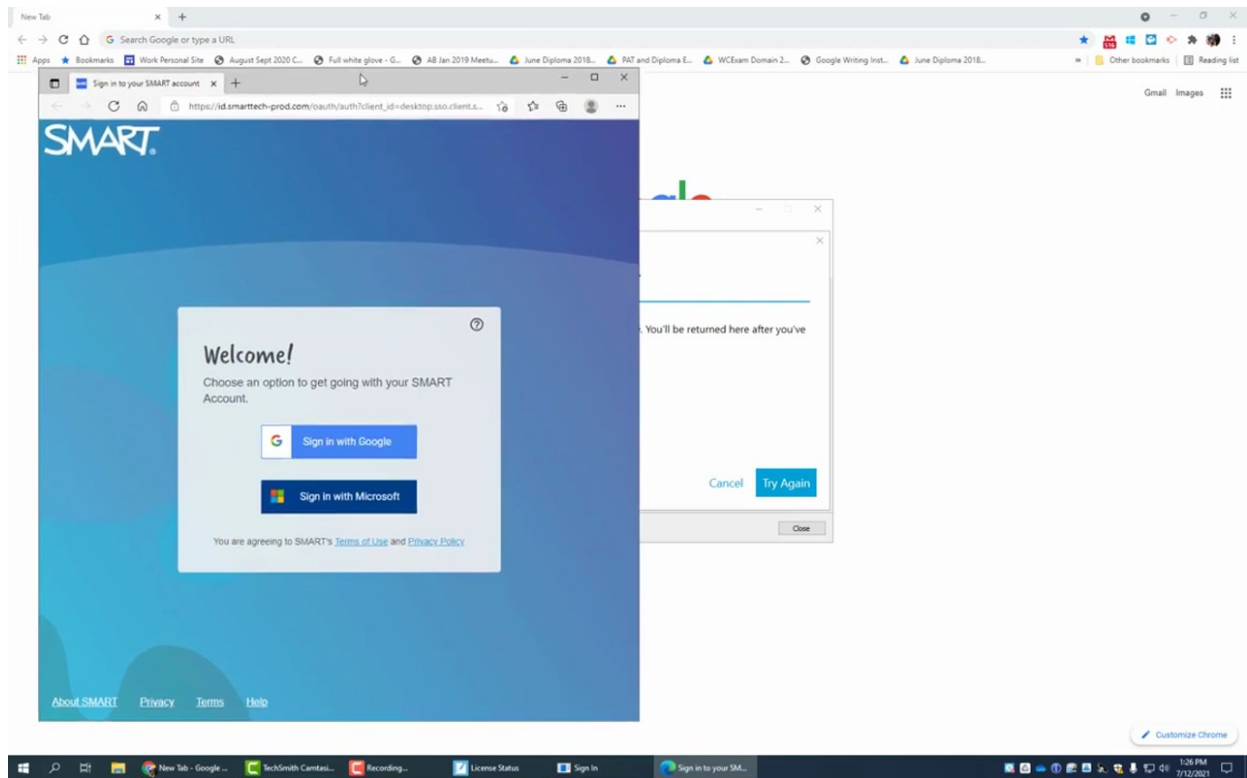

On the SMART Notebook sign-in window, select Sign in.

Start the sign-in process.

STEP 3 Sign in with a browser

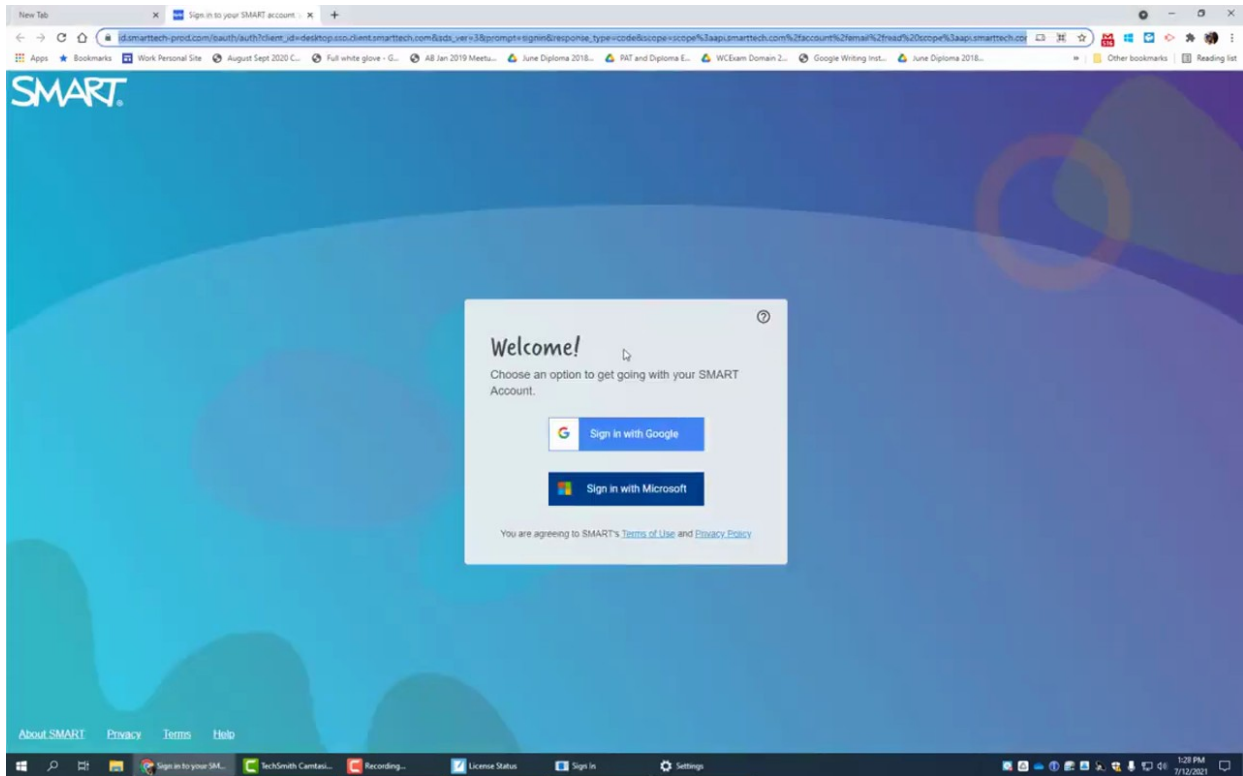

When prompted, continue with browser sign-in and choose Sign in with Google.

Sign in with a browser.

STEP 4 Choose your Wolf Creek account

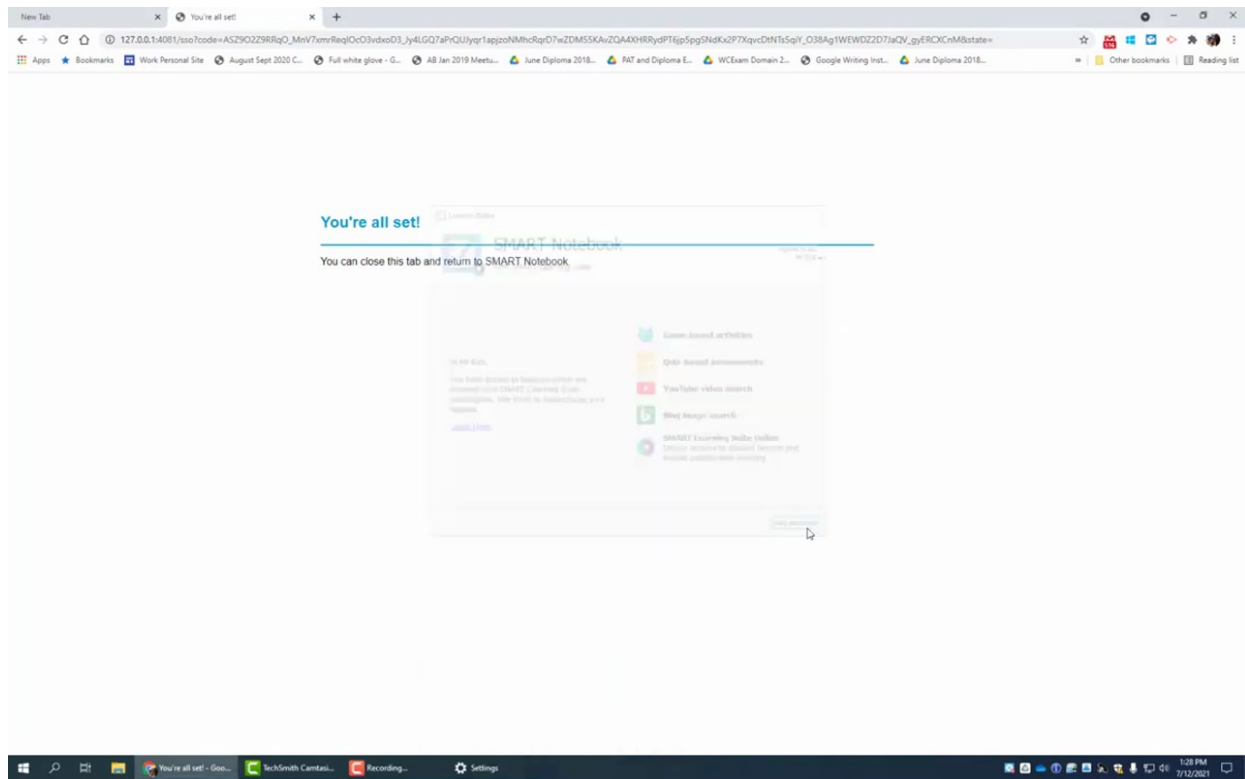

Select your Wolf Creek Google account and complete any prompts that appear.

Choose your Wolf Creek account.

STEP 5 Confirm SMART Notebook opens

Return to SMART Notebook and confirm that a new Notebook page opens and your account is signed in.

Confirm SMART Notebook opens.

Finished

The SMART Board is ready to use. If the control does not respond as shown, restart SMART services or submit a Freshdesk request.
